

Important Health Information

Dear parent or guardian,

Great news! Our school has partnered with Smile Programs ... the mobile dentists to offer dental care at school.

Best of all, in most cases there is **no cost to you** if your child is insured with Medicaid/CHIP! Private insurance and affordable self-pay options are also available.

Easy & Convenient

Having your child seen by the dental team at school saves you valuable time. Top quality care is provided by local, licensed dental professionals in the familiar surroundings of your child's school.

Keep Your Child Healthy

Untreated dental problems can cause pain, missed school days, and lasting health issues. Regular dental care is essential to keep your child healthy, learning, and thriving. Dental care may include dental exam, cleanings, X-rays, fluoride, sealants and cavity treatment, if needed.

Sign up today!

Look for a permission form from school, or **sign up online now at www.MySchoolDentist.com**

Don't wait. Be sure your child is signed up and ready to see the dental team at no cost to you (for children with Medicaid/CHIP.)

Thank you!
